REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record is deemed not to teach nor fairly suggest, neither alone nor in combination, the instantly claimed "storage means for storing a production device database containing data relating to the plurality of the production devices and a requisite-power supply device database containing data relating to the plurality of the requisite-power supply devices" in combination with "processing means for computing an amount of first energy consumption for each of the plurality of the production devices and the plurality of the requisite-power supply devices and for each type of the requisite power, based on the production device database and the requisite-power supply device database according to the design request; and ... selects production devices to be used among the plurality of the production devices according to the production condition instruction, and computes an amount of the requisite power required by the production devices to be used for each type of the requisite power; selects requisite-power supply devices to be used among the plurality of the requisite-power supply devices, based on the amount of the requisite power for each type of the requisite power, and computes an amount of second energy consumption required by the requisite-power supply devices to be used for each type of the requisite power; and computes a coefficient of energy consumption indicating an amount of third energy consumption per predetermined unit of the requisite power supplied by the requisite-power supply devices to be used, based on the amount of the second energy consumption for each type of the requisite power, and computes the amount of the first energy consumption based on the coefficient of energy consumption," for an "energy evaluation support system for presenting an amount of energy consumed in a factory with a plurality of devices to a user," in-combination with the other instantly claimed limitations.

2. Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Maria N. Von Buhr whose telephone number is 571-272-3755. The examiner can normally be reached on M-F (9am-5pm).
